NAILED IT AGAIN

Dear FOX: I gotta hand it to you guys, you really nailed it with that Porn Pig of the Year stuff. Tara Lynn Foxx is the filthiest slut pig I've ever laid eyes on and I've seen plenty. I live to watch her doing what she does best—getting fucked stupid. My only gripe is why didn't that dude in the pig costume whip it out and lay some pipe into her? I'm no freak, but that woulda been pretty hot. Maybe that suit didn't have a fly in front. I'd live to stick it in little miss Foxx and spray my baby batter all over her pretty slut face. If you guys need a volunteer to don that pink piggy suit next year, I'm your man. —Dean in RI via email

BALLING FOR DOLLARS

Dear FOX Magazine: Tara Lynn Foxx is so good-looking she could be on TV. Like an anchorwoman for a local news channel or something. Why does she feel the need to defile herself with dick after dick? Don't get me wrong, I'm glad she's willing to get plowed in front of the cameras. She's the only female I've managed to raise half a chub for since my chick left me last fall. But even as I'm tugging away so I can lay a steaming wad on one of those pics of her smooth twat, I can't help but wonder couldn't she do something else? I mean really, is there no other job out there for her? She must really like balling for dollars. —Ryan via email

WHAT DOES TLF MEAN TO YOU?

Dear FOX: TLF = Tara Lynn Foxx = True Love Forever! TLF is the Queen of my Dreams and Fantasies. She is the Most Important Woman in the world and has obviously descended from Royalty. She is Beautiful, Unique, Precious, and my One and Only Special Lady. Her Ass is the Prettiest Ass ever to grace the backside of a Human Female and I envy every single Seat Cushion that has the honor of cushioning Her Ass against discomfort. I would gently kiss and nibble each of Her Earlobes until She asked me to stop. But if She never asked I would do it forever and never need Food or Water because all the Sustenance I could ever need

I would get from the supple pinkness of Her Earlobes. I would Also like to tongue Her Asshole at least five times a day to get a good taste of Her Gorgeous Essence. TLF = TLF.—*Randall in CO*

KEEP ON SPANKIN' ON

Dear *FOX*: Your magazine has caused me to masturbate myself into a state of exhaustion on more than one occasion. Even when my meat is sore and my wrist aches I keep on spanking it. I am like a man possessed when under the spell of *FOX*! I like looking at pussy, but not hearing pussy if you follow me.—*Danny in NC*

YA GOTTA HAVE HEART

Dear *FOX*: When I got a good look at those photos of Holly Michaels and Natalie Heart, I just about died. They would have found me like that, no drawers, pud in hand, lotion bottle empty, *FOX* Mag on the floor in front of my lifeless body dead from heart failure. The EMT would have picked up that *FOX* and taken one peek at those Holly/Natalie pics and put it all together. DAMN, those are

two of the best looking broads I have even seen in my entire sad life. And to get an eyeful of them groping and pawing at each other's perfect naked bodies, well it's damn near too much as I explained already. I am a firm believer in the old adage 'that which does not kill you makes you stronger' so I have been building up my strength a little each day by studying that Holly/Natalie spread right after I wake up in the morning and again before I got to bed at night. I haven't cum so much since high-school.—*R.D. via email*

A REAL LIVE BLOW-UP DOLL

Dear *FOX*: It has always been sort of a fantasy of mine to fuck a girl that looks like a blow-up doll. That may sound crazy to most folks, especially considering that a lot of work is put into making blow-up dolls resemble real, live women. But that Gia DiMarco is exactly what I'm talking about. She's like an exaggeration of a woman, her womanly parts are bigger and sexier than usual. Take those lips, for instance. Forger about sucking a golf ball through a garden hose, Gia looks like she could suck a bowling

ball through a bendy straw. And her silhouette—she's as curvaceous lying down as she is standing up. She's the real live blow up doll ho of my wildest wet dreams. Not one of those flimsy blow up jobbies but one of those fancy expensive silicone dolls that get delivered in crates. One night with Gia and I could die a happy man.—*Lloyd in FL*

A SIGNATURE SCENT

Dear *FOX* Mag: My favorite part of a woman is her cunt. No two cunts are alike and I'm not talking about just the smell although certainly every single cunt has its own signature scent. The texture of the cunt lips differ from woman to woman. I've encountered some that are real delicate, almost fragile like, while others have been tough as a sow's ear. No matter what the texture, when cunt lips split open to accommodate a finger or a hard-on it is a beautiful thing. Just a woman spreading her legs apart can be poetry at times. But an open pair of cunt lips is a winning poem every time, one that has rhyming words and everything.—*Vance in KY* 🐱

TIA CYRUS & MARK

That Tia Cyrus sure seems smart. Maybe it's just the glasses. But she knows her way around a cock like she's got an advanced degree in doing the nasty, maybe a Ph.D. from the School of Hard Fucks. Mark is psyched, because he's experienced enough to know that not only are brainiacs best in bed, they also give killer BJs. It's not that smart chicks suck harder or have silkier tongues, but they pay close attention to their partner, monitoring every twitch and moan, so they pick up on when the best time is to step up the pace or ramp up the friction. Smart girls don't subscribe to the "I'll just lie here and let you do the work" school of thought. A smart girl knows that the more passion she puts in to putting out, the juicer the O that'll be squeezed from her peach. So in that sense Tia Cyrus is about as smart as they cum. 🍆

MICHAEL STEFANO
SLUT 'N' PUPPET
ZOEY NIXON, MICHAEL STEFANO
PIXXX & ARTICLE BY JEFF HUBRIS

I'm late to this porn scene but I know the shoot house well enough to know that the fucking has most likely already started, in which case wearing out the doorbell or barging into the living room would be a one way ticket to porn journalist asshole hell. Being the stealthy porn set creeper that I am, I silently make my way around the back of the house, where I can hear the muted screams of a bang out in progress. Quietly sliming my way through the terrace sliding doors, I am nearly blinded by the nearly reflective, ultra pale skin and radiant red hair mop of Zoey Nixon's glowing form bobbing up and down in reverse cowgirl on top of hall of famer Michael Stefano.

The fuck is in full swing on a living room porn sofa, and Zoey is in so deep that you could set off an M-80 without bumming the groove. Her bountiful rack, twin phosphorescent beacons of mammarial luminosity on their own, bounce and swirl with the music of the bang out universe. Both tits are in a very good mood and fill the void with frivolity.

I'm happy all of a sudden. Judging from my limited experience with Zoey Nixon so far, I can make the snap evaluation that I am way, way into this girl, maybe even in love because I am a pathological narcissist obsessed with super pale, long-boned, rangy types who remind me of myself. During a position switch to regular cowgirl, camera man Cuba stops rolling video for a second and says hello. Stefano and Zoey both wave and then commence fucking again after he makes another insert.

Stefano picks her up and she holds on for standing cowgirl, then they hit the sofa again for open spoon and doggie. The plan is for Stefano to pop from a BJ so she starts hoovering and goes down to kneeling cum receptacle pose to receive the load. After Cuba has enough video, it's a wrap and he yells, "Don't wipe the cum off of your face!" while grabbing for the stills camera. When Cuba's finished she gets her phone and asks him to shoot some cum glaze facial shots to send to her boyfriend.

"I've done it with almost every single scene I've done so far," she says. "My boyfriend is really into it and is fine with me doing porn and shit. He texted me and said 'I haven't gotten any cum shots yet' so almost every scene I want a picture so I can show my boyfriend later. I'd like to keep doing it though with as many shoots as possible because then I will have my own little compilation of different cum shots and start my own little scrapbook or something!"

Zoey just started in porn. She arrived here from the Eastern shore of Maryland and started doing sex scenes immediately. I was right. She's gangly and terminally friendly.

"When I got into porn it felt really natural," she says merrily. "I guess I was just like more nervous anticipating everything but once I got here and started doing everything it just comes out of me really easy. I like being subservient. I really just like doing everything I can to get the guy off the best I can. I like working with a dick! You gotta put a lot of art into it you know? It's hard to explain. I just take a lot of pride in getting guys off really well!"

I want to make Zoey Nixon my best friend after knowing her for about ten minutes, give or take. I'm very unprofessional, easily influenced and I recognize someone from my tribe. She steps into a back bathroom and I ask Stefano to describe the fuck to me.

"The fuck was awesome," he says forthrightly. "She was down. No complaints. No sweat. Any which way. Just float right through. You'd think she'd been doing it for a while. Some girls are just cut out for it and some are not. She's just cut out for it and was an excellent choice."

ZOEY NIXON: I've had some different sizes of course but it's been pretty easy. Before this I had only fucked like two dudes so I have more than quadrupled the amount of dudes and it's been pretty crazy. Once I get worked up into it it's pretty manageable and no matter how crazy I get fucked it's always fine the next day or a few hours later. I like it really close in a lot of times so the guy's like slapping up and down against my clit. I like riding too because then I can like control it on my own and just really fucking slam down because that feels really good too. Doggie's fun. I like that one. I like rough stuff. I like to be spanked and get my hair pulled and all of that shit. I don't know, I'm weird. I got best at orgasming when I had my first chick because I could see the way she came and I saw what happened with her pussy all close up. I learned a lot from that and then I could really, really cum on the dick and stuff. My pussy is really tight and little and it doesn't have crazy beef curtains or anything. Not that there's anything wrong with that. I don't like excessive beef curtains but I don't mind the look. I totally see that shit getting fucked and I'm like I just want to chew on that. I love girls. I'm like super bi. You get something completely different out of fucking a girl than a guy. Just being able to admire a girl. Every tiny bit is just perfect, you know? Girls get to a certain point where they're just so toned and nice they look like a sports car. Aerodynamic and all that good shit. I just love legs and all of that. I love toned girls. I love nice, strong girls. I'm just really into the dykey thing. ...I haven't really done anal yet. I've done some with my boyfriend but I just want to get better at it I guess, until I take it to the big leagues. ...Back home they're a little freaked out but they'll deal. They're just glad I'm doing something that makes me happy I guess. I'm having a lot of fun and I really like it so I guess that's all that matters even though they're a little freaked out. ...You want to know the size? 32 DD.

I follow Zoey around taking pictures and do an interview after she gets Stefano's load off her face and cleans up a bit.

"I've just always been into getting off and getting people off and being really sexual and stuff," she says. "Like two or three days after I turned eighteen I started doing cam sites, and when I couldn't charge for it I would just like go on Chat Roulette and make people cum and stuff."

It's about making it happen for others. An unrepentant pleaser. Oh shit, her driver is here already. Hopefully she'll stick around for a while because she is golden, in general. An excellent hang and an anti-solemn sex amazon who delivered a killer porn fuck on a lazy, L.A. morning, this Zoey Nixon is an asset. 🐱

If it were possible to tear your leer away from Sophie Dee's massive cans for just one hot second, you might notice what beautiful blue eyes she has. In fact, you may even revel in the creamy flawlessness of her skin, that is if you could pry your sore eyes off of those round, sculptural sweater swellers long enough to focus on something else. Or if you weren't so hypnotized by the rhythmic bounce of the rock hard nipples jutting from her pillowy bazooms as she gets stuffed full of cock, you would likely admire the rich cascade of her lovely auburn hair. As truly awe-inspiring as they are, if you could, for chrissakes, stop obsessing about her tits for just one tiny second, you just might give yourself the opportunity to realize that Sophie Dee is the whole package, head to toe hotness, and more than just a damn fine set of DDs. 🐈

Carter Cruise fucking loves life. And why wouldn't she? She's young, smokin' hot, and thanks to her clam the world is her oyster. An ex sorority girl gone way past wild, she cashed in on her college-honed hanky panky skillz and is now balling her way steadily towards XXX stardom. Notable for her all-natural, athletic build and blonde, sun-kissed gorgeousness, her fluff of muff is as well manicured as a country club lawn. Carter can be counted upon to bring the fun to all her filthy hook-ups, joyously taking on whatever cums her way—bone or beave—with the voracious enthusiasm befitting an oversexed bon vivant. It looks like she has quite the promising career ahead of her if she opts to continue getting laid for a living, and again, why wouldn't she? There's not much to stress out about when rent is only a few orgasms away. Miz Cruise has everything under control. 🐱

Her mouth is precise enough to grasp a pencil. Marilyn comes with all the female parts you expect. Even **THESE** parts were designed to act as human-like as possible. Her well rounded hips and legs are soft and flexible. You can make Marilyn thin, you can make her shapely, you can make her pleasingly plump, in fact Tiger, you can make her **ANY** way you desire.

DRESS HER UP

Dress her up in lingerie, bathing suit, dainty underclothes, tight fitting sheek dresses, pant outfits, mini skirts or leather. Her well rounded legs can wear any style boots or shoes, nylons or hose. Think of the fun you'll have dressing Marilyn the way **YOU** feel a woman should

dress. And best of all Marilyn knows how to show her appreciation. Order now, while she is still available at this extremely low price, or before she becomes a collectors item.

DIRECTOR
ERIC JOHN

SLUTS 'N' PUPPET
RAVEN DAWN, OLIVIA YOUNG,
ERIC JOHN

PIXXX & ARTICLE BY JEFF HUBRIS

33910

The Svengali system is built into the porno tradition because the ability to locate and procure willing nubile to give it up on camera has always been part of the game. True to form, a few years ago Eric John initiated an employee at his bank (the exceedingly hot Vicki Chase) into the wonderful world of ADULT, but now, as in all great historical sagas, a new page has been turned. While trolling webcam sites, the tireless Mr. John happened upon a young cam lady in the remote porn province of rural Ohio whence, MAGIC HAPPENED. He immediately beat ass out to flyover country and Svengali'd Raven Dawn from all that snowbound nothingness, bringing her to the City of Angels and the home ground of his one-man sex-cam empire, Erotique Entertainment.

Another nascent Eric John aficionado, Chicago transplant Olivia Young, is a local who cammed from her place, conveniently enough, just a few blocks from the Erotique studio: "I was just watching cams because that's what I do in the morning and I saw that Eric was having a morning show with Alexis Adams," she recalls. "I never bought into his show before so I decided to, I was like wow this is turning me on. I was sitting at my kitchen table masturbating and I loved it!"

Creating the best of all possible worlds, he has brought this Eric John admiration society together today for a special three-way bang out, where the lust should be GENUINE AND PERSONAL, instead of being phoned in from planet hooker, a very popular porn industry vacation spot.

Raven and Olivia lounge in red and blue undies upon the Erotique fuck bed/platform, surrounded by cameras, enticing potential viewers to pony up. John dialogues with old and some new fans over the computer.

"The two of them are looking good," he chats. "They just met the other day. All kinds of first-time stuff here. It's historical and we're live!" The girls put their arms around each other and chant, "WE LOVE ERIC JOHN!" in unison.

"I didn't make them do that!" he says to the fans. He's happy with the number of sign-ups all of a sudden, saying "We're going in pretty quick!"

There's dual girl pussy eating that morphs into a double BJ: "I have a very nice cross pussy taste in my mouth," says John while both ladies trade off on giving head.

I think I have just found the title of my upcoming porn tome, *Cross Pussy Taste: A Multi-Vaginal Porno Memoir*. Thank you, guys! Camming is about filling time so there is plenty of opportunity to stretch out the penetration time. First insert is Raven in open missionary and then onto Olivia for an equally leisurely pounding. Positions are changed a few times and then John stands on the bed and blows a load on both girls, who are kneeling at his behest. Both have orgasmed. Too perfect.

"Good morning!" cries Eric John. "Thank you both!" One hour and load down, another hour to go.

He takes a break, chatting with fans while the girls head to the bathroom to wipe down. After like ten minutes with the ladies in new outfits, one black and one white, the show begins again with another double BJ. They get naked quickly and the fucking carries on for another 45 minutes but there's a change in the choreography for Pop Number 2.

"I think there's probably no reason that they can't make me cum with both of their mouths on either side of my penis," John conspires. "Which I used to call 'founting.'" Wow, another one for my porn lexicon! Finally, some new words to deepen my official adult film industry vocabulary and further legitimize my porn journalism profession to myself. Thank you again!

RAVEN DAWN: I'm from Ohio. About a year ago I started cam modeling, that was a referral from a friend. They were just saying that they did it and it was a good way to make money. I watched some cams and said I could totally do that. I was having like threesomes and stuff just in my normal life. It was pretty open. I was just a stay-at-home mom. I wasn't too crazy in high school. I started doing threesomes after high school definitely. I like being watched. I am multi-orgasmic. I like it rough. Doggie is my favorite position because I like it deep. I like anal. I feel that it's more stimulating. I have my days where I prefer anal. I think it's because being fucked in the pussy a lot, anal is something that doesn't happen as often and it's more exciting. I started with girls maybe six months ago. It's fairly new. I was watching cams and I saw Eric's banner for a show. I watched one of his shows. I can't remember who he was with and afterwards I followed him on Twitter. He was the second person I added to my Twitter. A few months later he followed me and I did a screen shot of him following me and made it look like a big deal and we started talking from there. It was all online and he started watching my cam. This is my first guy/girl show. So I met him online and then he flew to Ohio a few times and I was like, *I have to be here with you.* ...I love my Hitachi. Sometimes I like doing the Hitachi and a dildo at the same time. Sometimes in my shows I'll do a butt plug, a dildo and the Hitachi. Dildos are fine in my pussy but I would rather have a butt plug in my pussy. The butt plug stays in there. I cum really easy. After the first time I cum I can cum again in like three or four minutes. My average is like three or four orgasms.

OLIVIA YOUNG: I'm from Chicago and I'm 100% Italian. I've been out here about a year. I just wanted a fresh start. I graduated high school and I was like, I have to get out of here. I hate the winters back there. I've been camming for about a year and a half now. I started when I was 18. I have so much fun on cam. I don't treat it like a job, I treat it like fun. I just turned 19. In high school I was really crazy but before that I was just a huge tomboy. Soon as high school hit, something happened and boys started paying a different type of attention. I was a cheerleader and I had a lot of relationships with football players, both good and bad. We just did crazy stuff sexually, like running naked on the football field and stuff like that. ...I like rough sex. People just think that I'm so small and skinny and it's like I don't want to break you but I'm like, no you're not going to break me, I love it. It really turns me on. I'm very submissive, it's very hard for me to dominate someone. ...I just started doing anal and I just had my first experience with actual cock. I had done toys and fingers before. It was actually really good, I thought it was going to really hurt but I relaxed and it was awesome. I love it now. ...I'm a very easy cummer. I'm very quick. The rough sex really turns me on and if you smack my face and smack my ass, like, that just does it. Right there. Pull my hair, choke, all that. ...When I masturbate I just usually use my vibrator, close my eyes and think about being dominated. I have a lot of vibrators. The Hitachi gets me off in like 30 seconds. I broke two of them already. ...I just do solo cam stuff. I want to do girl/girl. I had my first girl/girl experience last month in a threesome. I was eating her pussy and getting fucked from behind. It was a very intense experience. I cum more from penetration as opposed to clit stimulation actually. I've tried a DP with a toy and fingers when I first started camming and I'm not really up to it yet. It's too tight. ...My parents know what I do and it's not going good at all. I thought it would be okay. I explained to my mom that I do it from my house and it safe and I don't do anything I don't want to do. I can tell that she's uncomfortable with it. I told her that I'm having fun and making money. ...I want to eventually go to school but I don't know what school to go to yet. I want to go to nursing school but up until then I'll just work on cam. ...My boyfriend has watched me on cam a few times and I cammed at his house so he knows I do it. My personal and porn sex life are basically the same honestly. I don't think I've ever once faked anything on cam. If I can't cum, I just say that I can't cum.

"Raven and I are meant to be together," Eric John says earnestly. "She is a horny little thing. I've been explaining this to people and it should be more obvious to everyone now. To achieve this double BJ this is key," he says after positioning the girls on either side of his unit. "You have to move the lips up and down at the same time, one on each side. Just kiss harder on the top!" They do as they are told, apparently executing the move successfully. Eric John emits a "YES!" and activates another load no problem. "That was an epic show!" he screams.

As he has in the past, Mr. John bucks the trend by allowing actual human feeling to be part of this process, being very up front and dare I say, quaint, regarding the potential for "a relationship" to influence, for the better, the abstract interlocking of genitals for porn's sake. For this, my hat comes off to him, for it can be a dangerous road upon which he shows no fear.

"There was no plan but now there is kind of a plan," he says. "Raven I fell in love with, so that worked out well. Olivia saw the show and was horny and happened to live really close to here so that worked out well too!"

All the elements are in place. The older, experienced male talent with the ability to drop endless loads. A stable of willing, neophyte cam-girls in various stages of adoration. A burgeoning Svengali of sexological proportions. Eric John is the John Derek of porn. 🐱

WHATEVER HAPPENED TO?...

RYLIE RICHMAN

Q&A by @Gabriel Lan

When a girl leaves the world of shooting porn, her fans are often left wondering "Whatever happened to (insert dirty little slut's name here)?" FOX wonders the same thing too, so we set out on a quest to get some answers for you perverts....so you don't end up with restraining orders and such. Rylie Richman was one of the nicest girls to ever take her clothes off and perform lewd, salacious acts on-camera. We tracked her down to discover what's up...

FOX: So how long have you been out of the porn industry now?

Rylie Richman: Well, technically I quit in 2012, but dabbled in it some in 2013 with two videos. Also, I lived in a cam house for a few months. I had a lot of fun in the house, but didn't quite feel as though it was my cup of tea. Since then, I have not had any part in the industry.

What went into your decision to leave?

There are a lot of reasons that I quit, honestly. The main thing that's caused me to pull out is "Love." I know it sounds corny or what have you, but it's true. I've found it very difficult to maintain happy healthy relationships while in the industry. I know some can, but it's rather hard for me. Another reason is because I got tired of being the "girl next door" for so long. I wanted to be part of something that allowed me to be myself. Personally, I have a lot of piercings now and intend to have a lot more ink by the end of the year. It was very difficult for people to accept that. They acted as if it was a taboo that I grew up at all. I knew my fans accepted me for whatever I chose to do, but a lot of directors didn't see it that way. Its like, if you come into the industry covered in metal and ink its fine, but if you do it while you're in it you lose creditability. Personally, I do not agree with that.

Would you say you are "officially retired?" Think you might ever make a comeback?

I'd like to think that I'm "Officially Retired," yes.

How did you originally get into the adult entertainment world in the first place?

Well, its kind of a funny story. I was dating this guy who cheated on me in every way possible, and one of the things he loved to do that I did not quite understand was online camming with various people. Since I didn't understand it, but wanted to see what the thrill was about, I jumped right into it. Among the many lovely people I was chatting with, there was this one girl on MySpace in particular. After her and I chatted for about 3 days she said to me "I think my boss would really like you!" I asked her what it is she did exactly, and without hesitation she replies, "Oh, I do porn!" Ha-ha! I was amazed! She told her

agent about me, sent them a few pictures, and next thing I know they agreed to fly me out to California. It was a pretty sweet gig and I wasn't overly shy so I decided to stay. Needless to say, the first agency I was with was somewhat sketchy, and I went back home to situate some things and they dropped me without any notice. I was still fond of the job so I set out to find better agencies. From there I went to Florida for a while, then back out to Cali.

What were the best things about being in porn? And what were the worst?

The best things were the simple things. Feeling pampered as my hair and makeup was done on-set, and always getting to see beautiful new places while surrounded by beautiful people. Seeing and hearing the reactions of everyone I knew back home, because I was that nerdy girl in high school with a shaved head that rocked Tripp pants that grew up to be a blonde bombshell. And of course the pay was good. I was able to afford my own place in the Valley for a year, up until I quit the first time. The worst part about it was the fact that so many people assume that just because I fucked for a living, I had little to no intelligence. There are a lot of scumbags out there that convince girls into casting calls to do "auditions." I was smart enough to know there wasn't really such a thing. And some of the messages I would receive from people would be really rude, or blatant, but I learned quickly not to let it effect me.

Do you have a most memorable moment from your time in the industry?

My most memorable moment was when I stayed the night at Kink to shoot the Halloween special in 2011. Kink was one of my favorite companies to shoot for honestly. My second most memorable moment was getting second at the AVNs for most DVD titles released in a year. I thought that was a little more than awesome.

Is there anything you miss about shooting smut? Anything you don't miss? LoL

If there was one thing I missed about the industry I would have to say how simple it was for me. I never had to fake it, and just having the financial security was great. The thing I do not miss is the lack of change. I want to be a part of something where I can be myself. And they had this ultimate image that no one shooting wanted me to grow out of. Also the scummy guys, I don't miss the ones that are always trying to pull a fast one on girls by not paying their rate or things of that nature.

Do you remember what the last scene you shot was? What company was it for?

The last scene I shot was in Florida. I did a little bit of hand domination. It was pretty fun, and it was something I had never done before so I enjoyed myself. Sadly I do not recall the name of the company though.

Do you ever check to see or notice when you still have new, previously unreleased scenes coming out? HAHA Yes! My Twitter feed blows up every once in a while with something new. I have stuff still coming out from when I cammed in Florida. But

all of that is coming out on another girl's page that I worked with.

Do you keep in touch with any friends you made or colleagues from your time in porn?

I do talk to a lot of people I met through the industry. A few of them are the actresses and actors, but I mostly got along with the crew behind the camera. I have a handful of friends I'm more than happy to have met.

How about fans? How often do you make contact with them on social media sites?

Well, my Twitter and Facebook are all under my adult name, but I have all of my friends from back home on there too, so I stay in touch with everyone almost daily. There are a lot of messages that tend to get lost in my flooded inbox, so I don't reply to them all. Especially if they just say things like "I Want To Fuck You!" That usually doesn't get a reply, or if it does it's usually nothing past a simple thank you. But some of them do make an effort to connect with me on a personal level and that I appreciate honestly.

Is there any way fans can still get new or exclusive content from you?

They can contact me via Twitter, and they can also buy new photo sets of my modeling escapades at www.mygirlfund.com/rylierichman plus fan signs and autographs can be done at that link as well. They can also still buy me stuff on my Amazon wish list. Oddly enough, while I was in the industry no one really spoiled me very much lol.

Anything you'd like to say to the fans out there that have missed you?

I'd just like to thank everyone for being so supportive. They would have seen a lot more of me if directors had been more open to an "alternative Rylie" and I apologize to them (the fans) for that, but I had fun and I wouldn't change it for the world.

So, what are you doing these days? What do you have going on in your life? How has your day-to-day routine changed since you left the industry?

Things have definitely changed. I am still trying to get back into the swing of normalcy. It's been quite difficult but I'm still trying. I've been looking for a job that I enjoy that actually challenges me. I've had a few different ones over the past year or so, but nothing great, so I am still on that mission. Though financially I know no job will really put me back to where I was, but I'm still okay with that.

Did you move back home? Somewhere else?

I have moved around quite a bit on my mission to find myself since quitting. I moved back home to North Carolina after quitting in 2012. But there was something still drawing me back to California so I came back around my birthday, lived in Hollywood for a few months then moved back to the Valley. Then to Orange County, that was an interesting experience to say the least. After O.C. I went to Florida to do the cam thing, then left it all for good to come back to the Valley.

Any new love interests to speak of? Anything serious? Are you even contemplating anything like that right now?

My love life is great! I don't want to jinx anything but let's just say that I hope it continues to go in the direction it's going. I do have the goal of eventually being a happy little housewife with kids and an online business—that's right, I want to stay working no matter what!

What, if anything, did you take or learn from your time in porn?

I learned more about myself than anything. I've learned how to be comfortable in my own skin no matter what. I've gained a lot of confidence, and I feel as though I've learned more about how people think as well. It's amazing to think that you know someone, and then you learn what kind of porn he or she likes and you can't help but to be surprised. I get to know people on an entirely different level and I think that in and of itself is pretty amazing.

Anything you regret doing or not doing?

I regret not traveling as much, and there are a lot of companies I would have loved to have under my belt. I also wish I would have asked more questions about what to do come tax time hahaha, but other than not saving I don't really regret much. I lived in the moment, I had fun, and I did something that not everyone can say they've done.

SUNNY MARIE, KALI KAVALLI,
PORNO DAN

PIXXX & ARTICLE BY JEFF HUBRIS

Sunny Marie and Kali Kavalli, both visiting from the ever popular, human effluvia receptacle of Florida are here to be penetrated and worked over by THE GREAT PORNO DAN! His Immoral Productions is kind of like an independently owned filling station in a porno retirement community, like anything like that would ever exist in real life, but we can stretch our brain-damaged imaginations...just for fun. The attendants show up when they feel like it, or if there's something SPECIAL in it for them. The rest of the time the owner can be depended upon to do the filling, as is the case today.

Porno Dan has chosen to abandon the thematic branding of the gazillions of sexual happenings that take place here into "marketable" categories, in favor of a more freeing, improvisational jazz approach.

"There's no rhyme or reason to anything anymore," he explains. "It's just me fucking. It's about me getting laid and the fans fucking enjoying lots of cum shots. We've given up trying to do themes on different days of the week. We just try to get in as much fucking and have as much fun as we can. I got to the fun philosophy rather than the theme philosophy. It's simply girls always out-numbering guys and guys fucking them. They're honestly all the same. It's just me and my derelicts fucking girls!"

The good news is that both gals are pleasing blondes and Kali just got started in porno, which opens up the possibility for some great teachable moments and Svengali options. This is exciting! Let's get started!

Dan is flanked by the ladies and the show begins with Travis Varjak rolling webcam.

"This is my second shoot ever!" says Kali excitedly.

"You've never had sex with a girl on camera before?" Dan asks.

"No, never," she answers. "I kissed a girl one time when I was drunk and that was it!" With hours to kill, there's time to tape-measure each girl's ass just for fun. Coincidentally enough, both come in at 43 inches in diameter.

"My ass isn't that big!" Kali protests. There's magic in the air. It's time to cash in.

"And a 19-year-old!" Dan croons admiringly, addressing the camera. "Travis, thank god I've been down this road before! Kali, why don't you just come over here and sit on my face facing me!"

KALI KAVALLI: I've never really watched porn before. I watched like thirty seconds. I cocktailed at a strip club and that was like the only naked people that I had never really seen so it's kind of weird for me to be doing this. I don't know how I got into it but I thought what the flock, whatever. I figured like the guys would just tell me what to do. ...I was in a long, long relationship and thought I was going to get married and have kids. My ex boyfriend was a multi-millionaire. A professional poker player, he didn't want me working and he was training me to be his housewife. He was super controlling and I loved him so much but he cheated on me and everything and he would come back and beg for forgiveness. We didn't work out. He wasn't a happy person. He was thirteen years older than me. He was keeping me around for sex and to make him breakfast and to sit next to him because I like poker too. He taught me how to play poker. I watched him for seven years playing and I would play every day. He didn't allow me to wear makeup and I had to wear high heels every day because I'm 5'3" and he's 6'5". He was an egomaniac. So we broke up and I didn't know what to do and I decided I was going to move to Vegas. I decided I was going to get into adult modeling and somehow I got introduced to a guy who told me I had a really good look and he sent my pictures to someone and I ended up in Florida. I figured that I would do it and if my ex sees it. I thought, *Fuck him.*

KALI: I like sex but it's weird because I was with my ex for so long and he's such a prude. Basically he fucked missionary and that was it. I wasn't able to explore my sexuality as much as I wanted to. I felt like I wanted more from him sexually than he was willing to give. That's kind of the reason that I'm into this now because I'm 28 and I feel old. I thought when I was 28 I would have kids and be married and stuff and I've never even seen one of those vibrators before. Never in my life. I just figured, what the hell, I'm going to do this and I don't care what anyone else thinks. I'm going to do what I'm going to do. This to me is fun. I get to travel, I get to meet new people and I'm doing things that I was never able to do before. So I'm like learning more about myself at the same time. ...I kind of used to masturbate but my ex didn't really like it. The way I masturbated was really weird. I never penetrated myself ever in my life. What I would do is just put the dildo on the bed and rub against it. ...The perfect cock size would be a guy that hurts a little bit but not too much. If this would happen every time I shoot I'd be really happy. I'm turning into a freak.

The face time goes well and Sunny starts suction on Dan's unit. After some of that, Dan tells Kali to make an insertion and climb on board. Porn is HAPPENING! Sunny assumes a nurturing role, working Kali's tits and clit, then Dan switches to missionary and trades pussies.

"This is the first time seeing a girl naked like this and getting fucked and you're so cutel," Kali blurts out. "Oh my god, I can't believe this is happening!"

The repetition of "OH MY GOD" utterances by both gals reaches fever pitch and does not abate. If there were a way to charge a pittance for each "OMG!" from porn girl lips in a typical Los Angeles porn day, the national debt could be wiped out in a matter of months, or maybe even weeks. No. Really.

PORNO DAN: Is it true that blondes have more fun? Proof positive. You can't spell dysfunctional without fun. ...The old man's still got it, huh?

SUNNY MARIE: I'm from Tampa. After I got out of high school I worked retail. The money is a lot better now. I was doing some nude modeling and I got a sexyjobs account and got linked up with somebody in Miami and started doing Bang Bros. and stuff. ...I just fucked all the time and I didn't get paid for it. Just because. I might as well get paid for it. Porn sex isn't that much different except that you have to take breaks and stuff. Other than that, I mean you get good dick. Porn guys know what they're doing. I just like to fuck. ...I don't really know what gets me off, I just like dick. I've never fucked a black guy or an Asian. I primarily just fuck white guys. ...I like the Hitachi. Who doesn't? I have a couple vibrators that I use but I'm more of a penetration person. ...I'm pretty sure my family knows what's going on but I haven't told them what I'm doing. My sister messaged me and said I know what you're doing and I freaked out. I'm pretty sure they know. I'm still sort of nervous when I fuck in front of the camera. It's just different to have somebody there watching I guess. I'm just going with it. I'm young, fuck it! I'm just living the high life!

During the process of much fucking and slurping, electrical toy clit manipulation and general goofing off, Dan blows two loads, having taken full responsibility for the only truly essential porno "work" part. When there is any extra fucking to be done, Porno Dan will do it. The job of sex is a constant companion. The show must go on. Sunny Marie says his cum tastes like pizza.

"I had pizza last night!" he answers.

Sunny's outlook is simple: "It doesn't matter what position as long as a dick is in my vagina I'm all right," she says. "It's in for the night."

While fucking the bejesus out of Dan herself, she has also maintained a supportive role throughout, encouraging Kali to "just enjoy it" when she would apologize for her porn set awkwardness. Humanity. The back-hand of porn set pretension is stripped away by people helping people. Love is all around. Porno Dan is a porn educator. He's here to help. That's how you know it's real America. The beat goes on. 🐱
